This message is to notify PPP Borrowers of new FAQ guidance.

Yesterday afternoon, October 7, we emailed a PPP Forgiveness update to our borrowers. Last night the Treasury Department released a new [FAQ \(Question 52\)](#) confirming the original 6 month deferral period no longer applies, supporting the guidance we provided yesterday.

NSB continues to monitor potential PPP forgiveness rule changes being considered by Congress.

We appreciate you choosing NSB for your banking needs.

Sincerely,

The NSB Commercial Banking Team
